### **New "Company Class" starting Saturdays 1-3:00 pm! (for Fund III/IV students and up)**

Starting on Saturday March 3rd, Ms. Catherine will teach Dance It Up's! "Company Class" modeled after a dance company style class. This ballet class will be a two hour class consisting of 1/2 hour core training, plus a full hour and a half ballet technique class. Our goal is to challenge students with barre work, center adage and allegro combinations. Occasionally, we will also offer a contemporary class to expose the dancers to another dance form if they haven't experienced it in the past.

The cost will be \$20.00 per class and you will be able to purchase 4, 8 or 12 classes at a time. **The only pre-requisite is that dancers must be enrolled in at least one weekly ballet class!**

If you are enrolled in the Ballet Tech class on Wednesdays@6:15, the cost will be \$15.00/class. If you purchase a card for the remainder of the dance year (12 weeks, March 3rd - May 26th, excluding April 21st school vacation week) you will receive a 20% discount.
