Class Make-up / Refund Policy:

Make-ups are available for classes missed due to illness, inclement weather or holidays. Arrangements for make-up classes must be made in advance by calling the office to reserve a space in an alternate class. Failure to call in advance may result in our inability to accommodate your request. If your dancer misses two consecutive classes after recital choreography instruction has begun, they may be required to take a 30 minute private make-up lesson at the discretion of the instructor. Deadline for all make-up classes is April 15, 2023. We do not count February school vacation week as part of the dance season, therefore no make-ups are needed. Classes will be held over April break; we follow the Grafton Public School calendar.

There are no refunds for registration fees, classes, workshops, parties, performance tickets or Sugarplums merchandise. Costumes fees will not be refunded after November 1st. In the event of a withdrawal, students may opt to make-up missed classes or complete the number of classes paid (within the current season). There are no refunds, account credits, or transfer of payments to another class or family member for unused classes. Dance It Up! must be notified via email when a student adds or withdraws from classes.
